RE: Refund to Deposit Account No. 20-0531
U.S. Patent Application No. 09/248,964, filed February 12, 1999
Our Docket No.: HAR-005

Dear Sir or Madam:

We hereby request a refund to Deposit Account No. 20-0531 in the amount of \$2,044.00, in connection with the filing of the above-identified application.

On February 12, 1999, the above-identified utility application was filed. We enclosed a check for the basic filing fee for a small entity (\$380.00). Also enclosed is a copy of the Fee Transmittal showing that the Commissioner was not authorized to charge any required or additional fees to our Deposit Account. Also attached is a copy of our filing fee check in the amount of \$380.00, and a copy of the return receipt postcard indicating receipt of the foregoing. It was our intention, consistent with the Rules of Practice, to defer the payment of any remaining filing fees until the receipt of a Notice to File Missing Parts, and to submit a small entity statement and preliminary amendment reducing the number of claims at that time. For that reason, the Commissioner was not authorized to charge any required or additional fees to our deposit account.

Attached is a copy of the February Statement of Deposit Account No. 20-0531 showing charges in the amounts of \$380.00, \$1,404.00 and \$260.00, totaling \$2,044.00, charged to the above-identified application, U.S. Ser. No. 09/248,964.

Applicants: Wucherpennig et al.
U.S.S.N.: 09/248,964
Filed: February 12, 1999

Because these charges were unauthorized, we request that the amount of \$2,044.00 be refunded to Deposit Account No. 20-0531.

If you have any questions regarding this matter, please do not hesitate to contact me at the telephone number below. Thank you for your assistance.

Respectfully submitted,
